guitarra de pasión 3 – a melodic collection of classic melodic World/Jazz/Latin originals composed and recorded by veteran Colombian-born artist, Juan Carlos Quintero

Following the retail success of *Guitarra de Pasión 1 & 2* coupled by a 3 month Top 10 /World Chart position at iTunes(2005),

This Third installment of the “*guitarra de pasión*” series re-captures Quintero’s melodic touch while offering fans a best of collection of re-mastered versions of popular tracks from JCQ’s expanding catalog

The trio of *Guitarra De Pasión*’s cross over appeal naturally extends into special markets (museums, gift shops, spa, etc.) as beautifully packaged concept albums...

Guitarra De Pasión 3 completes a brand of what has become a must have “best of” collection of soothing, melodic Spanish guitar music with wide appeal...

“by virtue of imagination as well as style, quintero clearly outclasses many of his modern Latin guitar-strumming contemporaries” - JazzTimes
